WALKING THE TRAIL

★ All the windows will open between **1st-4th December** so that the whole trail will be available to walk from **5th December – 2nd January**. You might like to walk the trail all at once, or why not enjoy a leisurely stroll around the four shaded area trails on different evenings to spread the fun.

ONLINE

★ There will be an online 'window spotlight' each day to discover our wonderful artists, and lots of online festive activities led by artists. Follow us on social media and sign up at the website to get regular updates. Post pics of the trail using **#nineelmsadvent**

Please follow all social-distancing government guidelines when walking the trails. Check online for the most up to date information. We plan to open all the windows as advertised, changes in government guidelines could affect some venues.

NINE ELMS
ADVENT CALENDAR

BE PART OF THE TRAIL

This winter, more than ever, we need to light up our area with joy and laughter. After last year's success, Nine Elms Arts Ministry return with a new Advent Calendar for our 'new times'. This year's theme is 'Light in the Darkness'. We want to light up our area - literally and in the hearts of the whole community. Walk the trail in your household or bubble, follow the calendar online, learn about the incredible contributing artists and join in lots of festive activities and use our special resources to decorate your window to add to the fun!
